

TV710 Pedestal

Key Features

- Round-cornered rectangular-design housing provides large capacity; maximum work area to install and maintain CATV distribution equipment
- Louvers with Mylar screen in upper front cover and backplate provide optimum ventilation for internal equipment
- 1-3/4 inch knockouts in backplate permit efficient installation of subscriber drops
- Padlock hasp and factory provided security knockouts provide maximum security and flexibility (security knockouts permit installation of Inner-Tite or Star Lock)
- Removable upper cover for efficient equipment installation; TV710 may be self-supporting, stake mounted, or wall mounted
- Factory installed equipment plate for easy internal mounting of distribution equipment
- Our unique multistage gray-green finishing process meets or exceeds EPA standards, and provides a tough corrosion-resistant finish for longer life

Description

The TV710 classic CATV pedestals are round-cornered rectangular-design above-ground housings that provide maximum capacity and work area to install CATV distribution equipment for multiple applications. Pedestals are manufactured of heavy gauge mill-galvanized steel, treated with a unique finishing process for longer life. The housing components are: backplate/cap/lower front cover assembly, upper front cover assembly, and internal mounting hardware and brackets. All versions have louvers with a Mylar screen for maximum ventilation of internal equipment.

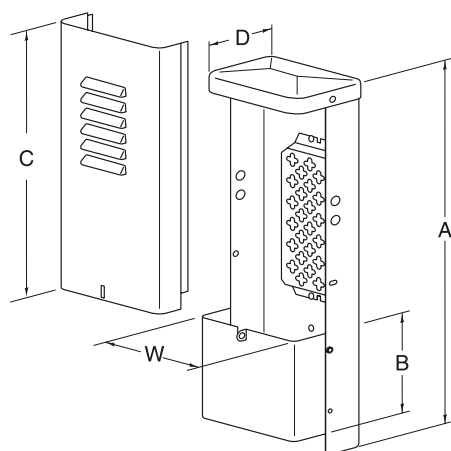

The TV710 has a factory installed accessory mounting bracket for internal mounting. Factory provided 1-3/4 inch knockouts accommodate subscriber drops. Additional knockouts and a padlock hasp offer several security options.

Application

The TV710 is an above-ground pedestal housing used for wall-mounting multiple applications of CATV distribution equipment, including taps, splitters, couplers, and line extenders.

TV710 Pedestal

Dimensions & Ordering Information

Catalog Number	Part Number	A	B	C	D	W
TV710*	F603250	37-in.	8-in.	26-in.	7-in.	10-1/2-in.

* Equipped with a factory installed small plate.

NOTE: All locks, optional mounting stakes, and brackets must be ordered separately and will be shipped separately. For factory assembled stake, bracket, and lock option, call customer service at 800-800-1280.

Accessories

Catalog Number	Part Number	Description
Stakes:		
MS1324	F603272	24-in. mounting stake
MS1332	F602132	32-in. mounting stake
MS1342	F604080	42-in. mounting stake

NOTE: For factory assembled lock option, call customer service at 800-800-1280.
